True leaders not only take bold steps.
FOUNDING MEMBERS CREATE THEM.

Founding members have left their impact as leading examples in their TEC groups, businesses, and communities.

"As a lifelong learner, TEC has created the ideal environment for me to grow professionally and personally. My business is more profitable and my world more balanced because of what I give and get from TEC."

- Lesley Conway
President, Hopewell Residential Communities

"TEC has helped me achieve personal and professional goals that would have been beyond my reach without the support, knowledge, advice, and accountability that has arisen from being part of my group"

- Rod Nicolls
Co-Owner and VP Operations, Urban Impact Recycling Ltd.

Become a part of the world's leading peer advisory organization in our distinguished member recognition program.

Become a Founding Member of a TEC group forming in your area. It's your opportunity to:

- Be the early adopter in your group and reach your target ROI faster
- Shape your group's character
- Become part of the dynamic TEC leadership series

To learn how to become a founding member, contact your local TEC Chair.
