TEC CANADA

Fact Sheet

For over 30 years, TEC has supported Canada's best and brightest chief executives, entrepreneurs and small business owners to accelerate their growth. Through confidential group meetings, one-to-one executive coaching, expert speakers and a global network of over 22,000 members, TEC has advanced our country's leaders, professionally and personally.

TEC Canada focuses on personal transformation, leadership excellence and enterprise success. Every member participates in a confidential group composed of up to 16 diverse, trusted peers and chaired by an accomplished business leader.

86% of our members said they would recommend TEC to other CEOs, executives or business owners. TEC's proven process has supported thousands of business leaders through one-to-one coaching, expert speakers, fast-paced learning and global networking. It all adds up to the most comprehensive executive and leadership development program in the industry.

TEC CHIEF EXECUTIVE
For chief executives, presidents and leaders of enterprises with a vision and drive for developing sustainable businesses for a global economy.

TEC KEY EXECUTIVE
For senior executives with a vision to become outstanding leaders.

TEC SMALL BUSINESS
For entrepreneurial leaders committed to growing their small and medium enterprises.

TEC INSIDE
For organizations that want to promote accelerated growth as a team.

TEC Numbers

Profitability & Balance
