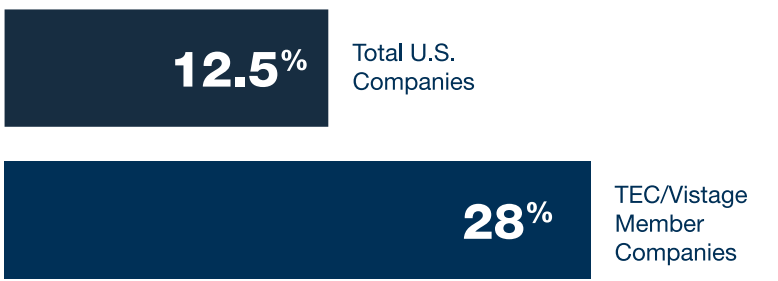
2.2

times faster



Companies who joined TEC/Vistage over the past five years grew 2.2x faster than average small and medium sized U.S. businesses, according to a 2017 analysis.*

* Analysis performed on Dun & Bradstreet data for U.S. companies with $5M to $1B in annual revenue. CAGR for Vistage member companies (sample size: 788) calculated for companies still active as of April 2017; calculated from year of joining the Chief Executive program (between 2011 - 2015) through 2016, CAGR for average U.S. small and medium-sized businesses (sample size: 918) based on 2011 - 2016 revenues.

Does TEC help improve business profitability and life balance?

We asked our members and the answer was a resounding yes.* Over 80% strongly agreed - with that number jumping to 90% for decade-plus members. TEC will help you grow your business and develop a leadership style that will allow for work-life balance.

POWER OF PEER GROUPS

Confidential group meetings with business leaders from non-competing industries provide a safe and stimulating environment to accelerate personal and professional growth. Led by a highly experienced Chair, you'll give and receive feedback to propel you forward.

YOUR OWN PERSONAL COACH

Accomplished business leaders and mentors, TEC Chairs provide one-to-one coaching that accelerates your ability to grow strategically and overcome hurdles faster. They guide you through the toughest turning points, so you can make better decisions for your life, your company and your community.

INSPIRING SPEAKERS

Exclusive access to thousands of expert speakers allows TEC to infuse group meetings with the most current thought leadership. We bridge the gap between theory and practice to solve real world problems with MBA-level knowledge that's actionable now.

A WORLD OF EXPERTISE

Through our affiliation with Vistage Worldwide, your network is expanded to over 23,000 global members. TEC members are connected to local, national and international communities of leaders who have overcome business challenges similar to ones you may be facing.

Find the group that's right for you

GROUP ADVICE. PERSONAL GROWTH.

Confidential, considered and candid, TEC's proven program allows you to connect with a dedicated group of successful business leaders to capitalize on their experience and expertise. You'll tap into comprehensive solutions specific to the unique and complex challenges facing you and your business.

NON-COMPETING PEER GROUPS.

TEC offers four different peer advisory groups, each designed to meet the distinct needs of leaders at all stages of their learning and growth. You'll be matched with other high-calibre executives, business leaders and owners by considering your organizational size, stage of development and competitive landscape. We'll ensure your group has no direct competitors so that perspectives can be shared without a hidden agenda. The result is invaluable advice and support from like-minded executives and experienced Chairs.

EVOLVE YOUR LEADERSHIP

The **TEC CEO** group is designed for CEOs and leaders of large enterprises with a vision and drive for developing sustainable businesses in our global economy. Connection in this group will help you champion innovation and collaboration within your organization while strengthening your leadership skills.

GET TO THE NEXT LEVEL

The **TEC KEY Executive** group is devised for senior managers that want to become outstanding leaders and CEOs. We help improve your personal performance, broaden your network and build the skills necessary to surpass your personal and business limitations. This group will push your leadership abilities to get you to the next level.

GROW MORE STRATEGIC & EFFICIENT

The **TEC Small Business** group is designed for results-driven leaders. This is the perfect solution for the established business, family enterprise, next generation leader or individual building a publicly traded company. Our specialized approach will help you refine your goals, perfect your leadership skills and create a roadmap to fulfill your vision.

HELP YOUR COMPANY GROW TOGETHER

The **TEC Inside** group is designed for organizations that want to promote accelerated growth as a team by developing their key department executives within a city or across the country. Leverage core strengths and individual talents to get from where you are now to where you want to be as a company.

Deeper Insights.
Real Impact.

TEC Canada is the most comprehensive executive leadership development program. And for good reason. We have perfected a powerful approach that is unrivalled.

From a solid foundation of peer advisory groups and expert Chairs, we stand united for mutual success.

NO ONE UNDERSTANDS CANADIAN BUSINESS LEADERS BETTER

Sitting in the corner office can make you feel, well, cornered. Every decision is vital — to you, your employees and your company. It's easy to feel overloaded, stretched and alone. TEC helps you refine your instincts, improve your judgment and expand your perspectives in a confidential, agenda-free environment. You'll be surrounded by high-performing peers who are committed to becoming extraordinary leaders — and helping you achieve the same.

THE BEST LEADERS NEED THE BEST MENTORS

TEC Chairs are a distinguished group of accomplished business leaders who have led organizations in a wide range of industries. Some have owned businesses, many have been CEOs of companies, and all are united by a desire to share their insight and expertise to guide other business leaders on their path to personal and professional excellence. They are difference makers helping you drive innovation, take risks and push limits.

Chairs encourage business development, network to find prospects and connect members to the right people to aid their success. They cultivate the best group dynamic and foster group connection to positively impact their members. And they receive unsurpassed training. Quarterly development seminars, conferences, industry events, mentoring programs and our Global Chair Conference are just the start.
