TEC SMALL BUSINESS

Fast-track your business growth

Your resources are stretched, competition is fierce and there are new challenges everyday. TEC Small Business will connect you with a peer network dedicated to your success, personally and professionally. Learn how to face complex issues and be strategic about the decisions that will drive your business forward.

TEC's Small Business group is designed for results-driven leaders striving to create an impact in their business, their life and their community. TEC Small Business members will have access to:

- Confidential group meetings with a peer advisory board of 10 – 14 small business owners
- Personal one-to-one executive coaching sessions with a trusted mentor
- Thought leadership from expert speakers and online MBA-calibre resources
- Global network of over 22,000 members world-wide that are committed to business growth and personal development

What you can expect from TEC Small Business

Connect with a network of like-minded small business owners who understand your specific challenges and will keep you accountable to your goals

Improve your work-life balance

Step out of the day-to-day operations to focus on the critical decisions that will lead to long-term, sustainable growth

Refine your vision and strategic plan to push past barriers, grow your business and expand into new markets

Get a seat at the table

Join over 1,400 other Canadian businesses who are members of TEC. Discover how our proven process of combining peer groups, experienced Chairs, expert speakers and a global network will strengthen you as a leader and your company as a whole. **Connect today.**
